

REMARKS

Claims 27-56 were previously cancelled as being directed to a non-elected invention. Claims 1-26, 57, 58 and 60-71 are presently cancelled. New Claims 72-95 are added. Accordingly, Claim 59 and 72-95 are pending.

On page 5, paragraph 5, of the Office Action, the Examiner indicates that Claim 59 is allowed. Applicants have added new Claims 72-95 which are dependent on Claim 59. The subject matter of Claims 72-95 corresponds with the subject matter of cancelled Claims 2-25. Claims 2-25 previously depended on cancelled Claim 1. Thus, no matter is added.

Applicants respectfully submit that the application is now in condition for allowance, which action is earnestly solicited. If resolution of any remaining issue is required prior to allowance of this application, it is respectfully requested that the Examiner contact Applicants' undersigned attorney at the telephone number provided below. Please direct correspondence to the below address.

Respectfully submitted,

Kimberley Elcess
Patent Agent for Applicants
